

## Sparks!

**After School Activities that spark your child's imagination**

### **Sponsored by the Glen Rock Community School**

*Space is limited. Enroll early!*

#### **Private Instrument Lessons**

Grades 1-5, 10 weeks begins week of Sept. 8

Private instrument lessons offer comprehensive one-on-one music instruction in beginner to intermediate woodwinds, brass, strings, piano, percussion and guitar.

Hamilton School; days and times arranged with the instructor.

#### **Keyboarding for Children**

Grades 2-5, 6 weeks

Proper keyboarding skills are essential in today's learning environment. This self-paced course teaches proper finger placement, memorization and navigation around the keyboard.

Byrd School: Mondays, Sept. 22-Oct. 27

Central School: Tuesdays, Sept. 23-Oct. 28

Coleman School: Mondays, Nov. 3-Dec. 8

Hamilton School: Tuesdays, Nov. 11-Dec. 16

#### **Mad Science "Super Spies & Daring Detectives"**

Grades K-5, Mondays, Sept. 22-Oct. 27, Coleman School

Join the Mad Science Team for fun, daring detective science and learn all the tips and tricks to becoming a Jr. Detective!

#### **Telling Tales**

Grades 3-5, Tuesdays, Sept. 23-Oct. 28, Hamilton School

This is a fantasy writing workshop where young authors learn that the magical can happen in the midst of the ordinary!

#### **Clay Creations**

Grades 2-4, Tuesdays, Sept. 23-Oct. 28, Hamilton School

In this totally hands-on class, students will learn to make both functional and fun projects in clay.

This class is designed to be fun, while the children build confidence in their self-expression and pride in the pieces they produce.

#### **Co-ed Volleyball**

Grades 4-8, Wednesdays, Oct. 1-Nov. 19, GRHS gym

This clinic - for both first-time and experienced players - teaches the most recent techniques used in volleyball, beginning with individual skills, then linking them together through small side games.
