There is no school on February 15th and 16th for Presidents' Day weekend. Presidents' Day dates back to 1800. Following President George Washington's death in 1799, his February birthday became a perennial day of remembrance. While Washington's Birthday was an unofficial observance for most of the 1800s, it was not until the late 1870s that it became Presidents' Day, a federal holiday, and the date was moved. While several states still have individual holidays honoring the birthdays of Washington, Lincoln, and other figures, Presidents' Day is now popularly viewed as a day to celebrate all U.S. presidents, past and present.

Pomptonian is pleased to be Glen Rock School District's food service provider, and we appreciate your comments and suggestions. You can reach us at cafeteria@glenrocknj.org.
