

Plant a Tree

Glen Rock 2nd to 4th graders are invited to celebrate Earth Day and Arbor Day with a special program presented by the Glen Rock Arboretum on April 24th from 4:00 to 5:00.

Co-chairs of the Education Committee of the Arboretum, Diane Schlegel and Lucy Malka, will share the book *Why Would Anyone Cut Down a Tree*. Children will do a nature craft and plant a seedling provided by the Arboretum and the Glen Rock Shade Tree Committee. The seedlings will go home for nurturing and may then be planted at the Arboretum or at a spot of the family's choice. Please register for this program in the Children's Room.
