

WICS SPELLING BEE CODE OF CONDUCT

In order to foster an efficient and respectful environment for the 4th and 5th graders of Glen Rock schools to successfully participate in the WICS Spelling Bee, participants and their parents are reminded of the following:

1. **NO** food or drink is allowed in the MS/HS Auditorium.
2. Spelling Bee Participants should not have notes, practice words, backpacks, water bottles, cell phones, gum, or similar personal items during the event. Participants should give such items, along with their coat, to their supervising parent/adult, prior to the Participant entering the Auditorium.
3. Parents should not approach the Teacher Judges with questions or comments about the spelling words, including the pronunciation or alternate spelling of the words, for the duration of the Spelling Bee. Questions related to the spelling of a word should immediately be referred to the Pronouncer, who will determine whether to consult with the Judges.

We, Participant and Parent/Guardian, understand that the WICS Spelling Bee is an event organized and run by volunteers to provide Glen Rock students with a chance to participate in a Borough-wide Spelling Bee with their peers. We agree to follow the rules set forth above, and understand that our failure to follow them will result in the Participant's immediate disqualification from the event.
