Dear Families and Friends of Central School,

We wanted to THANK YOU for contributing to our bake sale!! We raised **\$378.60** in memory of our lunch aide, Miss Carol. We will be using the money to purchase a brick in her honor. We could not have done this without the kind families from student council and Mr. Gavin's fourth grade class! We thank them for baking all the yummy treats. We also thank you, the school community, for graciously purchasing the items for your children to enjoy☺!

Central is a special place we know Miss Carol was proud to work. She was here for 15 years! The brick is a touching way the students have chosen to remember her by.

Fondly,

Annie Mack and Sharon Bonanno
