MISSION STATEMENT

The Glen Rock School District founded on principles of education, in partnership with a supportive community, provides an exceptional education to all students to cultivate resilient, responsible and engaged global citizens.

STATEMENT TO THE PUBLIC

Often times it may appear to members of our audience that the Board of Education takes action with very little comment and in many cases by unanimous vote. Before a matter is placed on the agenda at a public meeting, the administration has thoroughly reviewed the matter with the Superintendent of Schools. If the Superintendent of Schools is satisfied and Board of Education President concurs that the matter is ready to be presented to the Board of Education, it is then

APPENDIX

A

2023-2024 Glen Rock Board of Education Goals

Safety and Security

The Board of Education will support district administration in a review and implementation of prevention and response to and recovery from emergency and crisis situations, the continued support of maintaining a positive district climate, and providing supportive services for staff, students and their families.

Communication

The Board of Education will support administration in developing a communication plan that utilizes a variety of media to maximize awareness and support of the district's goals, objectives and programs and maintain a proactive media relations program to enhance the district's image on local, state and national levels.

APPENDIX

B

2023-2024 Glen Rock District Goals

1. Assessment of Student Learning

District administration will support faculty and staff in the assessment of student learning with the goal of providing responsive instruction to meet individual student needs, differentiate instruction, and personalize learning.

2. Culture and Climate

District administration will continue to support an appropriate balance of educational excellence and personal wellness for students and staff.

3. Finance

Develop and execute an Energy Saving Improvement Plan (ESIP) based on the investment grade energy audit approved by the Board in the Spring of 2022. The ESIP will allow the District to undertake capital projects financed by the savings achieved from energy efficient materials and equipment.
