

Glen Rock Special Education Parent Advisor Council (SEPAC)

The Special Education Parent Advisory Council is a district wide organization created by Parents to support the emotional, social, and academic well being of children with special needs.

We provide Informative, Educational Opportunities, Resources, and Support to families and professionals striving to achieve the maximum benefit for all children in our community.

Our Mission:

- To enhance the family school partnership in Special Education and to facilitate access to services.
- To facilitate active participation and acceptance of all children in the community.
- To educate, support, and mentor parents as they advocate for their child's Special Education needs.
- To provide opportunities for families to support each other and share information.

Our Vision:

We aim to support the instructional process for children who receive Special Services and promote the inclusion of necessary supports within schools.

Help and Support:

- To share information regarding programs that support children and their families.
- To encourage the involvement of families of children who receive Special Services
- To encourage understanding, acceptance, and inclusion of children with differing abilities.

SEPAC:

- Created in accordance with N.J.A.C. 6A:14-1.2(h)
- Provides an opportunity for Parents and the Glen Rock Board of Education to work collaboratively on issues relevant to the Special Education population and their families.
- Conducts Parent and District meetings during the school year.
