

Grade 10 Timeline

September - December

- Keep your grades up! Academic success has many benefits – ex. Honor Roll, NHS, eligibility for scholarships and awards senior year, etc.
- Use effective study habits – being organized is half the battle!
- Stay on top of all your homework/projects – write them down in your agenda.
- Go for extra help with your teachers before or after school.
- Email your teachers with questions/concerns if it's after school hours.
- Consider signing up for an NHS tutor if you need additional academic support.
- Remember, you must pass 6 classes each semester to stay eligible for sports.
- Introduce yourself to your new counselor if they haven't reached out to you yet.
- Consider taking the PSAT's in October. .
- Get involved in clubs, sports, and/or volunteer work. It's a great way to meet new people and learn new skills. Also, look into assuming leadership roles in some of them.
- Start thinking about career paths/areas of interest that you would like to pursue in the future.
- Complete the "Do What You Are" career interest survey in Naviance to help you figure out what those interests are.

January - June

- Before your scheduling appointment at the end of February/early March, review your 4-year high school plan to determine the most appropriate classes for you.
- Start to think about your College Application essay topic...it's good to plan ahead!
- Consider getting a summer job in the field you might be interested in.
- Look into summer enrichment experiences at prospective colleges.
- Finish the school year strong!
